24 June 1957

Dear Hank:

25X1A

The Burbank contractor personnel did not report for work at [REDACTED] on the afternoon of 28 May 1957 as instructed. Further, they did not return to work until 3 June 1957.

Would you determine whether charges for the period 28 May (2:00 P.M.) through 2 June were made? We have not yet determined whether to accept charges for 30 May since there was an unauthorized break in work.

Very truly yours,

Dan
